

Tunbridge Wells Over Fifties Forum

or T'OFFs for short!

The above forum was successfully launched on 30th September 2009.

- You may well ask why we need such a group.
- Older people are now giving voice to the issues that concern them and becoming actively involved, often challenging decisions made locally and nationally.
- Forums representing older people have been set up, all over the country; there are now 500; they cannot all be wrong.
- Our forum is the first in West Kent. Membership is open to all in the borough of Tunbridge Wells.
- Do come and join us. There is no membership fee, but the more members we have, the greater our power will be. We plan to have open meetings, several times a year and a quarterly newsletter.
